

allyallatl On the 4th Tuesday of every month, join us for TEA on Tuesday, hosted by [@kissandrideatl](#) !!

TEA on Tuesday is for anyone who would like to learn fundamentals and practice skills related to Testosterone or Estrogen Administration via injection. Whether you have zero experience or have been injecting for years, whether the shots are for you or a loved one, whether you might just need to find a little comfort in community right now, TEA on Tuesday is for you!

We may spend an hour together or up to an hour and a half, depending on the size and needs of the group.

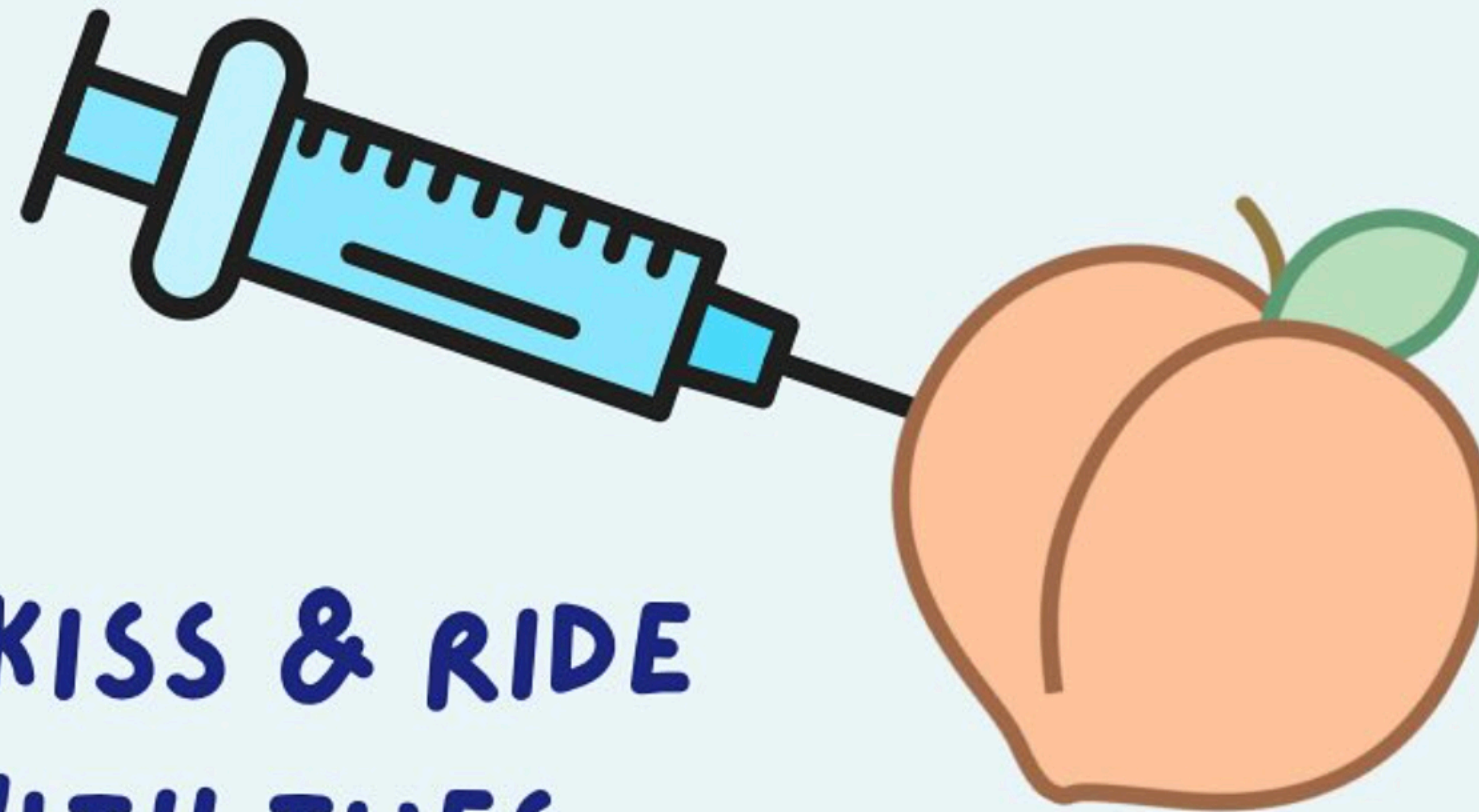

It's perfectly fine to drop in late or leave early.

This is intended to be a casual and supportive experience to boost your confidence and empower you, whatever your injection needs may be.

Please send a DM to let me know that you're coming, and don't hesitate to ask any questions you have about the event. I love hearing from you!
